Middle School Care is available to you through your school district and is delivered and administered by the Two Rivers YMCA.

The MSC program, conveniently located in your middle school, is full of activities that encourage youth to develop their skills and talents. Our goal is to broaden their interests while building self-confidence. We want to provide youth with life skills and character development necessary to be caring, competent, responsible adults. Youth are constantly exposed to the four core values of Caring, Honesty, Respect and Responsibility and provided incentive for living these values outside of the program.
